

REMARKS

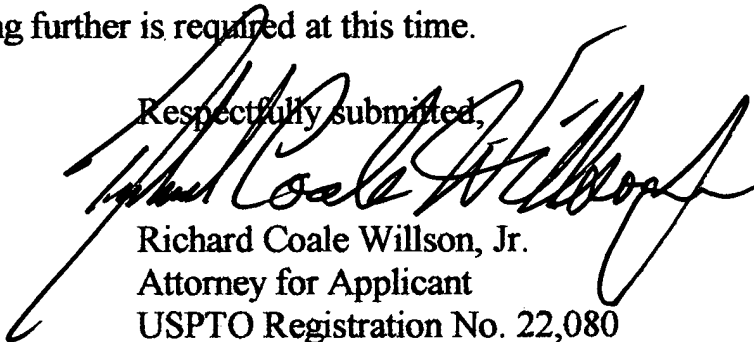

The above Notice was reviewed with Ms. Stokes of the Application Branch who helpfully suggested that the specification be recopied onto 8.5" x 11" paper, rather than the A4 of the original PCT application, to aid scanning. This re-copy is enclosed herewith.

It was established that the Drawings are satisfactory as filed and that the comment regarding drawings was caused by a computer glitch in the above Notice.

Any (small entity) charges required for the prosecution of this application should henceforth be charged to USPTO Deposit Account 20-0336 of Technology Licensing Co. LLC.

Please advise if anything further is required at this time.

Respectfully submitted,
